Wildland Fire & Mobilization App & Update

Jeff Wainwright Kevin Haughton

Jen Pennington Megan Durham

Wildland Fire Web Application 1

Objectives

- January California EMAC Deployment Overview
- Federal/State cuts & the possible impacts to Wildfire response
- IAFF Response to the Interface Course Overview
- Standing Committee Members work throughout the year
- IAFF Wildfire Taskforce Update
- Washington Legislative Update
- 2025 Update to the WSCFF Wildfire Roster

California EMAC Deployment 2025

- 11 Strike teams deployed with 2 A-Reps
- 55 total Apparatus deployed
- Where did they go
- What did they do
- What did we learn
- Does your agency still have an EMAC agreement on file?

Impacts to Wildland Response from FED Cuts

- Morale of the Federal workforce is very low
- Generally, it appears Washington State Forest Service Offices have not seen any impacts
- Nationally there have been cutbacks for training.

State Budget Cuts – What we know

- HB1168 funding Cut Impacts
- DNR Engine Crew reductions from 4 person to 3 person
- Reduction in Aviation by cutting 2 SEAT Aircraft from Yakima

CBA Language in conflict with State Mobe

• There have been instances where agencies are attempting to bill State Mobe based on CBA language specific to State Mobe.

EXAMPLE: A CBA may say that "when on dispatched to a Fire IA and the incident becomes a MOBE all personnel assigned to the incident shall automatically be paid a minimum of 14 hours"

• The Fire Marshals Office will only pay what is allowed in the rules set forth from the state, a CBA does not supersede those rules.

IAFF Response to the Interface Course

- Held in Spokane June 2024 hosted by Local 29
- Developed by the IAFF Wildfire Taskforce
- Regional Concept with 6 different agencies represented in three states
- IAFF Instructors from Around the US and Canada
- Train the Trainer driven so you can take it back home and deliver it
- Three days of classroom and one field day
- If you are interested in a class let us know.

Your Standing Committee work year-round

- Commissioner of Public Lands Wildfire Advisory Committee
- Washington State Fire Defense Committee
- Legislative Session Work
- IAFF Wildfire Taskforce

IAFF Wildfire Taskforce Update

- Meets annually at the IAFF IDC Conference in Las Vegas
- Additional funding passed at Convention in Boston
- Working to obtain a seat on the NWCG
- Working with Congress to build a stand alone all Risk Agency
- Working with Boise State on new Wildland Respiratory protection System

Wildland Legislative Update 2025 Session

- Nich Gullickson is now the Wildland Committee Legislative Liaison
- Rangeland Fire Protection Associations HB 1048
- Law Enforcement Aircraft Bill for Wildfire Suppression HB 1969
- State Mobe Prepositioning Bill HB1271
- Fire Service Policy Board Bill HB1628

Wildland Fire Roster

Purpose

Make available a statewide contact list of WSCFF members to respond to Wildland Fire/All Risk Incidents within the Pacific Northwest.

End State

A consolidated list of resources that can be accessed by members that are either being deployed or are deployed on an incident and additional personnel with specific skill sets and qualifications are needed.

Wildland Fire Roster – Getting Started

Jen Pennington Megan Durham

Wildland Fire Roster wscff.org/wildland-fire-roster/

First, fill out the form

WSCFF

WSCFF Wildland Fire Contact Form

This roster will help us find the qualifications of high-level command officers and special skills personnel who can help with Wildfire emergencies. Your data should be reviewed and updated as needed.
