Stand Alone Fire Marshal

SB 5520

What were the roadblocks

What is the plan moving into 2024

Air Quality Communications Strategic Partnership

- ECHO Northwest is a project-based coalition comprised of Pacific Northwest non-partisan private and public member organizations working together to craft awareness and actionable communications to the public.
- Agencies in support
 - Spokane Clean Air
 - Olympic Regional Clean Air
 - Commissioner of Public Lands Hilary Franz (DNR)
 - WSCFF

WSCFF Wildland Fire Roster

- We owe it to our citizens and ourselves to become proficient in every way possible to protect life, property and the environment.
- By participating in the wildland fire arena both as State Mobilization Resources and as Incident Management Team members we can accomplish that.

WSCFF Wildland Fire Roster

- **Purpose**
 - Further opportunity for our members
